

HOLYWOOD ROAD SURGEY

PRACTICE AREA / BOUNDARY

Due to the increase in population and demands on General Practice, we have decided to reduce the geographic area covered by this Practice.

The Practice received authorization to reduce its area from a 10 mile radius to a 5 radius, with a boundary arc roughly equivalent to the course of the River Lagan.

Patients who are currently resident outside this new boundary will remain on our list and new additions to the household will be accepted.

Unfortunately, when patients change address and this is outside the new boundary, they will be given information on how to register with a new GP Practice.

Queries relating to this matter should be directed to the Practice Manager.
